Named by the Mayans as the Land of the Swallows, Cozumel is one of the most iconic tourist destinations in the Mexican Caribbean due to its lush natural attractions. Its crystal-clear waters and vast marine biodiversity make it one of the must-visit destinations for diving and snorkeling at an international level.

This natural beauty is complemented by world-class infrastructure, such as its marinas, bars, and hotels, which make this island one of the most important tourist spots in the country.

The municipality has a total area of 647.33 km<sup>2</sup> and a population of 88,626 inhabitants.

El Cozumeleño Beach Resort will be the official venue for TROPICON 2026, offering an all-inclusive experience facing the Caribbean Sea. With 310 ocean-view rooms, this resort located on the north coast of Cozumel combines comfort, entertainment, and functionality in one place.

The hotel features a convention center and event spaces, where the event's conferences, workshops, and activities will take place. Among its many amenities are five swimming pools, jacuzzis, a beach, on-site snorkeling, water sports, restaurants, bars, a nightclub, evening activities, Wi-Fi, and two private piers.

El Cozumeleño, through its water sports office, offers the possibility of booking experiences such as snorkeling, diving, fishing, jet skiing, or sunset cruises, with direct departure from its private pier.
